

BRYAN CUTT- ULYSSES CLUB INC- ADELAIDE BRANCH MEMBER -1999-2006

On behalf of those members who still remember Bryan I note with sadness that he passed-away on May 22, 2020 at 82 years of age, after a long illness that prevented him riding.

He will be remembered by the older Adelaide branch members as he led many rides, especially on Wednesdays.

Rides were always interesting and well researched. Quite a few riders would have been introduced to Ulysses via Bryan's Wednesday rides.

Bryan was an interesting person with a lifelong commitment to motorcycling.

He was extremely competitive, and this showed when he sat on his bike. A member of the Atujara Club he competed many times in the Hattah & Sea Lake Desert Races in Victoria, 24Hr Enduro in SA and Hill Climbs.

A very regular gym workout ensured that he was fit enough to take on anything he chose. He also completed a number of running marathons in the Adelaide area. An incredibly determined individual from my perspective.

He raced an Elfin car for the Elfin factory.

A very accomplished snow skier and a senior competitor at rifle shooting.

Professionally, he was a Lecturer in Automotive in the TAFE system.

A very impressive CV overall.

All riders of Bryan's time owe him a great deal. Especially those for whom Bryan was the leader of their first ride.

His early retirement from riding due to ill health was very unfortunate.

Branch members are also saddened by the passing of Mick Sandley just ten days or so after Bryan passed. Mick was the originator of Wednesday rides and we hope to read more about Mick soon.

Both will be very much missed.
